

PCSC News

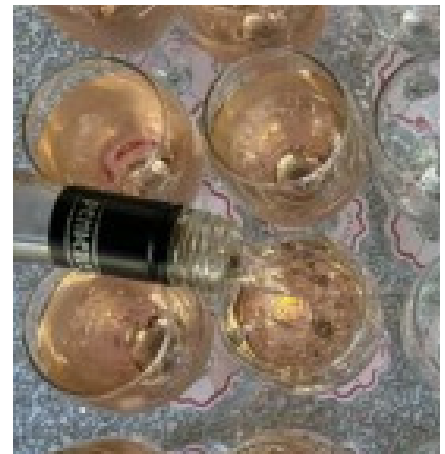

What an incredible day at the Ladies Pink Ribbon Day, proudly organised by the Southerners Football Club! ❤️

The event was a huge success, with the total raised – including the auction of the Souths' special pink guernseys worn in their match against Deanmill – reaching just under \$40,000 for breast cancer research. An absolutely amazing effort by our community and a result the Southerners Football Club is incredibly proud of.

The ladies enjoyed a wonderful afternoon in glorious sunshine, sipping cocktails, enjoying delicious canapés, and taking part in raffles, games, and plenty of fun and laughter throughout the day. As the evening rolled on, the pink guernsey auction created plenty of excitement and generosity, helping push the fundraising total to an incredible amount for such an important cause.

To top off an unforgettable day, the DJ took over and everyone danced the night away!

A massive thank you to everyone who attended, donated, volunteered, sponsored, and supported the Southerners Football Club in making the day such a huge success. Events like this would not be possible without the incredible support of our community.
