Dear Members,

We hope you all had a lovely Christmas and a happy New Year.

On behalf of the committee, we would like to thank you for your continued support throughout the year. We truly appreciate being part of such a great community and look forward to another year ahead with you all.

We hope the festive season brought you time to relax, celebrate, and enjoy moments with family and friends. Wishing you good health, happiness, and success in the year to come.

The 2025 Seniors Lunch was a big success, with a wonderful turnout and a lovely atmosphere throughout the day. It was fantastic to see so many smiling faces, shared laughs and great conversations. Everyone thoroughly enjoyed themselves, making it a truly special occasion for our seniors and the wider community.

What a magical night it was! Our Christmas Party was a huge success, with both children and adults enjoying a truly festive evening. Santa's special visit brought plenty of Christmas magic, delighting so many happy children and filling the room with smiles and laughter. The wineries were a big hit with the adults, adding to the holiday cheer, and congratulations to our lucky raffle winners who took home some fantastic prizes. Thank you to everyone who joined us and helped make the night so memorable.

Dee has been a welcoming and familiar face at the Club for many years and will be greatly missed. Following the sad passing of her beloved husband, Danny. Dee has decided to begin a new adventure away from Pemberton. We wish her all the very best as she starts this next chapter.

## Yardie Appreciation – Thank You, Robbie

We would like to take a moment to acknowledge and sincerely thank our yardie, Robbie, for his outstanding efforts around the club.

Robbie has consistently gone above and beyond, generously contributing many extra voluntary hours to maintaining the club surrounds and gardens. His hard work, dedication, and attention to detail have made a noticeable difference, and the grounds are looking absolutely fabulous as a result. On behalf of the committee and members, thank you, Robbie, for your continued commitment and pride in our club. Your efforts are truly appreciated.

We're excited to share the fantastic transformation of our bowls green, with a brand-new surface recently laid and now ready for play.

The before and after photos really highlight what a difference the upgrade has made. The new green not only looks incredible but will also provide a smoother, more consistent playing surface for members and visitors alike. A big thank you to everyone involved in the planning and works behind the scenes. This upgrade is a great step forward for our club, and we look forward to seeing many enjoyable games, competitions, and good times on the new green in the seasons ahead.
