### 2025 Colts Premiers

Edition 5 -October2025

#### Celebrating a fantastic football season

The 2025 football season has been one to remember, and what a way to finish- with two of our teams proudly making it all the way to the grand finals. Congratulations to the players, coaching staff and the hardworking committee who have guided the teams through an incredible year of football. A special mention must go out to our Colts team, who capped off a brilliant season with a well deserved premiership. Their determination, teamwork, and passion on the field has been inspiring, and this victory is a reward for their commitment through the year. Reaching the GF is no small achievement, and both Colts and League teams should be proud of the journey that got them there. From the first bounce of the season to the last siren in the finals, the effort, skill and club spirit has shone through.

None of this would be possible without the unwavering support of our community. A heartfelt thank you to all our supporters, volunteers and sponsors. Your dedication, encouragement, and generosity are the backbone of our club. From cheering on the sidelines to working behind the scenes, you've made this season a success both on and off the field.

#### 😹 Black Dog Ride Comes to Pemberton 🐾

On Saturday, October 4th at around 10am, the Black Dog Ride will be stopping in Pemberton for a morning tea break, generously hosted by the Pemberton Arts Group and local volunteers.

This marks the final day of a one-week ride throughout the southern part of WA, raising vital awareness about depression and suicide prevention.

Why it matters?

Every day, 8 Australians lose their lives to suicide. That's more than the daily toll of road deaths, yet the stigma surrounding mental health often prevents people from reaching out for help.

By starting conversations and showing support, we can help reduce that stigma and encourage those struggling to seek care.

Come Along ? Pemberton Community Sports Club

Around 10:00am, Saturday October 4th Enjoy morning tea and welcome the riders Check out around 40 bikes of all makes and sizes Meet the riders, hear their stories, and be part of the movement

Let's give the riders a warm Pemberton welcome and stand together for mental health awareness.
